Spreading Awareness of EVs to Underserved Communities

Join us at the Newhallville Learning Corridor on Sunday, September 21st, from 2:00 PM to 6:00 PM, for a free electric vehicle (EV) and e-bike ride-and-drive event. Test drive a variety of EV models, take an e-bike for a spin, learn about new affordable and convenient ride/bike share programs, and chat with EV owners and experts about what it's like to go electric.

Enjoy free food and family-friendly activities, enter raffles for a chance to win great prizes (including an e-bike!), check out local vendors, and connect with the community.

FREE
RAFFLE

**E-bike valued
at \$1500**
